POLICY NUMBER: 10 SBA VP9803

THIS ENDORSEMENT IS ATTACHED TO AND MADE PART OF YOUR POLICY IN RESPONSE TO THE DISCLOSURE REQUIREMENTS OF THE TERRORISM RISK INSURANCE ACT.

DISCLOSURE PURSUANT TO TERRORISM RISK INSURANCE ACT

SCHEDULE

Terrorism Premium:

\$ 53.00

A. Disclosure Of Premium

In accordance with the federal Terrorism Risk Insurance Act, as amended (TRIA), we are required to provide you with a notice disclosing the portion of your premium, if any, attributable to coverage for "certified acts of terrorism" under TRIA. The portion of your premium attributable to such coverage is shown in the Schedule of this endorsement.

B. The following definition is added with respect to the provisions of this endorsement:

1. A "certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of TRIA, to be an act of terrorism under TRIA. The criteria contained in TRIA for a "certified act of terrorism" include the following:
 - a. The act results in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to TRIA; and
 - b. The act results in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of an United States mission; and
 - c. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the

United States or to influence the policy or affect the conduct of the United States Government by coercion

C. Disclosure Of Federal Share Of Terrorism Losses

The United States Department of the Treasury will reimburse insurers for a portion of insured losses, as indicated in the table below, attributable to "certified acts of terrorism" under TRIA that exceeds the applicable insurer deductible:

Calendar Year	Federal Share of Terrorism Losses
2015	85%
2016	84%
2017	83%
2018	82%
2019	81%
2020 or later	80%

However, if aggregate industry insured losses under TRIA exceed \$100 billion in a calendar year, the Treasury shall not make any payment for any portion of the amount of such losses that exceeds \$100 billion. The United States government has not charged any premium for their participation in covering terrorism losses.

D. Cap On Insurer Liability for Terrorism Losses

If aggregate industry insured losses attributable to "certified acts of terrorism" under TRIA exceed \$100 billion in a calendar year and we have met, or will meet, our insurer deductible under TRIA, we shall not be liable for the payment of any portion of the amount of such losses that exceed \$100 billion. In such case, your coverage for terrorism losses may be reduced on a pro-rata basis in accordance with procedures established by the Treasury, based on its estimates of aggregate industry losses and our estimate that we will exceed our insurer deductible. In accordance with the Treasury's procedures, amounts paid for losses may be subject to further adjustments based on differences between actual losses and estimates.

E. Application of Other Exclusions

The terms and limitations of any terrorism exclusion, the inapplicability or omission of a terrorism exclusion, or the inclusion of terrorism coverage, do not serve to create coverage for any loss which would otherwise be excluded under this Coverage Form, Coverage Part or Policy.

F. All other terms and conditions remain the same.

IMPORTANT NOTICE TO POLICYHOLDERS

ERISA - EMPLOYEE DISHONESTY

You are receiving this notice because your renewal policy contains ERISA-EMPLOYEE DISHONESTY.

The Employee Retirement Income Security Act of 1974 (ERISA) is a federal law that sets rules and standards of conduct for private sector employee benefit plans and those that invest and manage their assets. One of ERISA's requirements is that people who handle plan funds and other property must be covered by a fidelity bond to protect the plan from losses due to fraud or dishonesty.

Please be advised that on or before the beginning of each plan year, the plan administrator or other plan fiduciary must ensure that the plan has the legally required bonding amount for the individuals who will handle the plan's funds and other property. If necessary, the plan administrator or other plan fiduciary may need to obtain appropriate adjustments or additional protection to ensure that the coverage will be in compliance for the new plan year.

If you wish to adjust the amount of your ERISA fidelity bond, please reach out to your agent or Hartford representative.

Important Information For New York Property Owners and Tenants

**As a result of New York Labor Law Section 240, you may be liable for injuries to contractors you hire to do work at or on your property.
Learn more about this law and what you can do to reduce your risk.**

As a New York property owner or a tenant who hires contractors to repair, alter, paint, erect, demolish, clean or point a building or structure under New York Law Section 240, you may be liable for injuries sustained by the contractor's workers who fall from heights or who are struck by falling objects.

This law places responsibility for worksite safety on owners and tenants who hire contractors. Liability under New York Labor Law Section 240 may be imposed regardless of whether the property owner exercised supervision or control over the injured worker.

Examples of Claims and Lawsuits

Contractors often work at heights and use ladders, scaffolding or other devices in order to get a job done. It would not be uncommon for a contractor's employee (injured in a fall from a height on your property) to bring a legal action against you or your company. Examples of situations that resulted in a claim and/or lawsuit under Section 240 of the New York Labor Law include:

- A maintenance worker fell from a ladder and was injured while taking down ceiling tiles for a store owner to correct a drafty condition created by improperly installed ceiling insulation.
- Trade Association hired a contractor to assist in installing a stage. Plaintiff, an employee of the contractor, fell four feet and was injured.
- A worker was injured when he fell from an elevated height while removing and replacing piping for a machine oil supply and return system for our manufacturing risk.
- A worker was injured in a fall from a steel beam. There was no scaffold beneath the beam.

In each of these cases, the property owner or business owner was alleged to be liable based on the fact that they had hired a contractor to do work.

Impact on Insurance Coverage

Claims and lawsuits under Section 240 of the New York Labor Law may have an adverse effect on your company's finances and insurance program.

- The most significant risk is a judgment against your company in excess of your policy's limit of liability. Some claims based on this law have been \$1 million or more.
- Your future insurance premiums may increase as a result of lawsuits against your company.
- Because favorable claim history is a key component of your insurability, liability insurance may become difficult to obtain.

Reducing Your Risk

There are a few simple risk management techniques that should be considered in consultation with your attorney or insurance agent to help reduce the chances of your business being involved in litigation:

1. Prior to the start of any work, have a written contract in place that includes an appropriate indemnification clause. Ensure that all contracts and indemnification clauses are reviewed by a qualified attorney prior to signing.
2. Be named as a "primary" and "non-contributory" Additional Insured on the contractor's General Liability Policy. This method of transferring risk could be significant in the event of a loss.
3. Only hire reputable contractors to perform work of any kind on your property, whether owned or leased. Pre-qualify contractors by reviewing previous work, securing recommendations from previous customers, reviewing the contractor's financial condition, inquiring about past losses, and ensuring the contractor has adequate and appropriate insurance coverage, including Workers' Compensation coverage.
4. Require all contractors you hire to strictly follow all OSHA and NY State Industrial Regulations. Ensure that the contractor is aware of the applicable regulations and laws that apply to this exposure.

Taking these simple steps will help minimize the possibility of the New York Labor Law having an adverse effect on your company's finances and insurance program, as a result of hiring a contractor.
